Hi Campers,

Welcome to the Village of Cecil Lakeview Park Campground.

Again this year, the maintenance men from the Village of Cecil will be taking care of the park duties. If you have any problems, please call **Kim Kirchner at 715-853-3452**.

The campground was inspected by the state last season and a few changes are required. All campers must be placed in the center of each lot to allow for the correct amount of space between campers once the pullouts are extended. Backflow preventers will be provided on all outlets.
