

Village of Cecil Board Meeting Minutes 01/16/2024

The meeting was called to order at 6:00PM by Pres J Nolan

The Pledge of Allegiance was recited.

Those attending the meeting were: J Nolan, P Westcott, J Maule, C Wallrich, A Kallies, D Sperberg, J Homan-Fire Chief, Bob Weier.

Motion made to approve the agenda and deviate by P Westcott, seconded by J Maule, motion carried.

The meeting was posted and published.

Motion made by P Westcott to approve the meeting minutes and treasurer's report from December 19th, 2023, seconded by C Wallrich, motion carried.

Baseball Club-Nothing

Fire Report-At a call, no report.

Endurance Ice Race-Steel Shoe Fund-rescheduled on Lake Winnebago for February 4th-There will be no race in Cecil

The Village will sign the Radies Certified Survey Map

Motion made by J Maule to approve the Operator's Licenses 85, 86, 87, seconded by C Wallrich, motion carried.

Office renovations-White board the size of a cabinet door, door renovations for dutch door.

Road Maintenance-Snow Plowing-The Village of Cecil is plowing Nabor Rd, Pine Rd, Bahr Estates, Fire Station, The Town of Washington is plowing Limit Street and winging out Freeborn Street. Hogan Court residents have put stakes on the edge of the pavement preventing plowing. The village would like to have the Town of Washington plow more of their own roads if the company hired has smaller plow vehicles. The President will talk to the Town Chairman in regards to this matter, the village will take care of Pine Rd if the Town takes care of Limit Street, the rest will be requested to take care of by the Town.

Maintenance Report- James and Warrington Streets-residents are piling snow in the roads when they clear out their driveways and sidewalks, this is also happening on other streets in the village. The village office will prepare a handout to give out to violators. The plow truck broke down and the village could use a blade for the loader. The box plow is too large for the loader and could use a different blade, it could cause some equipment failures in the future. B Weier will work on getting a plow for the loader, the President has a spare blade at his shop, brackets will be needed to be purchased, welding will need to be done.

Sewer Issues-it is still setting off the alarm 2 to 3 times a day, Schoenike was called to pump down the well, Crane Engineering has been called for repairs, there is an electrical issue. The dump Station at the park D Sperberg believes that campers or travelers with campers are throwing wipes. Motion made by B Weier to restrict the dump station at the Lakeview Park to campground customers only, seconded by C Wallrich, motion carried. Job interviews for Maintenance position-Kraig Kasper-is not interested because he had to report to the clerk, Reese Siporski-from New London moving to Bonduel, he is interested but will need a bit of time before coming to work, has good experience for the position.

The Town of Washington Chaiman was called into the meeting to ask if they would be able to plow Nabor Rd and Bahr Estates rather than the village. He will bring it up to the town board at the meeting tonight.

Committee Reports

Roads-Next Month

Waste-Carts on the sewer bills
